

Put learning on autopilot

LMS365 delivers a modern, cloud based, secure learning experience.

Battling with:

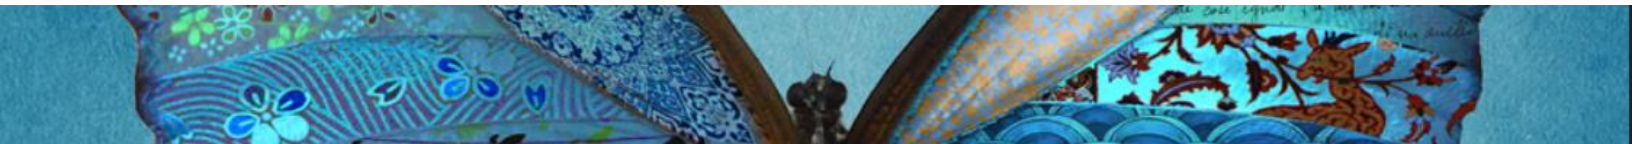

- ☐ Customer dissatisfaction
- ☐ Internal knowledge issues and performance blockers
- ☐ Training too expensive
- ☐ External tools needing setup and management
- ☐ Getting right teams to do relevant, specific training

What is LMS365?

A training solution that's different. Seamless integration. Customised for you. Deliver training anytime, anywhere and on any device through Office 365 and SharePoint. Accessible through all mobile platforms.

Time to realise:

- ☐ Optimal productivity and effectiveness
- ☐ Improved customer satisfaction
- ☐ Reduced training costs
- ☐ Training wherever your employees are, anytime
- ☐ Full support and low maintenance

Easier to use

- It's simple, LMS365 is built into Office 365 and SharePoint
- Easy to use for both managers and employees

Training made easy & accessible.
Flex your employees to deliver better.

Customised for you

- LMS365 is up and running within days
- Highly customisable and able to include additional features and apps needed

Fast uptime. A central hub for all your training and monitoring.

Seamlessly integrated

- Familiar Microsoft environment
- The platform already knows your profile, job and training needs.
- Everything runs within Microsoft Cloud.

Familiar – learning happens as employee needs it.
